*Send Date: October 4, 2010*

Dear Colleagues;

Over the last couple of months, we have asked you to submit and vote on your most pressing travel related questions through the Power of Travel Coalition's first ever Virtual Travel Town Hall. This year's congressional candidates have heard you loud and clear, and they've answered back to you.

Please take a moment to visit [www.travelcoalition.org/townhall](http://www.travelcoalition.org/townhall) to see what the candidates have to say. You'll also be able to see how travel powers every state in America, as well as look up who your candidates are and register to vote, if you haven't done so already.

With the elections right around the corner, now is a great time to see where the candidates campaigning for your vote stand on travel. If your candidates didn't submit responses to the Virtual Travel Town Hall questions, I encourage you to contact them and ask them personally to provide you an answer.

Travel is a powerful driver for the economy and millions of jobs. Thank you for taking the time to participate in the online town hall and send the message to tomorrow's leaders that travel works for America.

Sincerely,

[XXX]
